Nursing Service Cost Report, Windows 95 users
Installation Instructions for DCOM98.exe

(Stop Here if you have already installed DCOM98 for a previous application. It is not necessary to install this software twice.)

The following instructions apply to the installation of **DCOM98.exe for Windows 95**. If any other programs are running, please close them before starting the setup process. This includes anti-virus software.

Install the Software

1. To install DCOM98 software on your pc, find the file you downloaded. Double-click on it (DCOM98.exe). This starts the installation process, where you should see the **DCOM98 for Windows 95 and Windows 98** screen. This screen will ask you: **OK to install DCOM98 for Windows 95 and Windows 98?** Click Yes.

2. You will then be prompted by a second **DCOM98 for Windows 95 and Windows 98** screen. This screen will ask you to read a license agreement. Click Yes.

3. You will be prompted by a third **DCOM98 for Windows 95 and Windows 98** screen. This screen extracts the necessary files from the DCOM98 file.

4. Immediately following the extracting screen will be the Copying Files screen.

5. The final screen is a fourth **DCOM98 for Windows 95 and Windows 98** screen. This screen will contain the following message: **You must restart you computer before the new settings will take effect. Do you want to restart your computer now?** Click Yes to restart your computer.

6. Once your computer has restarted you will be ready to proceed to install the Nursing Services Cost Report software.
